RE: 1982 Annual Operations and
Progress Report
Bingham Mine
ACT/035/002
Salt Lake County, Utah

Dear Mr. Pinder:

Thank you for submitting Kennecott's Bingham Mine Annual Operations and Progress Report for 1982.

As a reminder of the requirements of Section 40-8-15 and Rule M-8 of the Utah Mined Land Reclamation Act, an up-dated map should also be submitted delineating new disturbances, if any, and all areas where reclamation activities have occurred during the past year. It would be greatly appreciated if Kennecott would provide the Division with such a map, or maps.

Also, please address all future correspondence regarding Kennecott's operations to Dr. G.A. "Jim" Shirazi, Director, Attention: James W. Smith, Jr., Coordinator of Mined Land Development. Thank you.

Sincerely,

JAMES W. SMITH, JR.
